Chairman Message :

We, in Shanti , have a simple answer. We believe in the success of an institute and its ability to instill confidence, stemming from a caliber of its dedicated teachers force.

When we have finest and the most sincere minds working for us, education loses its intimidating complexity and becomes a tool to be mastered. When our people gather the reins of destiny in their own capable hands, they become purveyors of progress. Dedication, sincerity and continuing empathy of our teaching force get intellectually and emotionally translated into an increased success of our students and the satisfaction of all parents, leading to the most enviable placement.

By building people, we build society. By building leaders, we build the nations technology and economy. Technical education is, in effect, a nation's service. At Shanti, we believe only a well disciplined, value-added students to become the high-profiled professionals who can achieve the avowed objective of our great president, Hon'ble Abdul Kalam, to make our country a "SUPER POWER".

We place major emphasis on continuous improvement of our people not only in their academic parts but also in their leadership traits so that they are geared to deliver sustained value to their employers when they are placed after their success completion of the courses. Our companies' satisfaction and which is after all we are always aiming at.

There can be no half measure when it comes to quality. We spare no effort to inculcate the quality philosophy into our people. Because, while it is our people who make a difference, it is quality that gives an edge.

From principal desk:

Education devoid of human values is worthless and it is, therefore, our sincere effort to inculcate in students the trait of good human being and turn out true gentleman and ladies of high caliber and character imbibed with all the virtues of head and heart. We are of the view " A good institute gains recognition through qualities imbibed by its students and not infrastructure.

A very tough time awaits our youth when they move out to entre upon a public life. Only those who have iron determination can achieve success and face the challenges of future boldly. In this age of cut throat competition, there is no room for shirkers. Opportunities keep knocking the door for every one.

Only the bold with positive attitude and sustained efforts are able to grab them. So to be ahead of the lacks appearing in a competition, they have to be mentally and physically tough and need to have dogged determined with capacity for hard work. Let us remember "God help those who help themselves."

OUR MOTTO:

The nature has bestowed everybody with its creative energy in one or another form. The only need is to bring it out. If this creativity is again and again explored out, it further beautifies into a masterpiece. This is the Motto behind running this college.
